This is an official addendum to the 2023-24 Course Catalog. The course descriptions for ENGL102 Dev Writing Lab and ENGl103 have been revised for this catalog year.

Dev Writing Lab
ENGL102
The ENGL 102 Writing Lab focuses on oral communication, reading in context, and critical thinking to support you in your Developmental II English course and beyond as an artist and designer in the world. Through small-group instruction and discussion, each week, you will learn tools that you can apply to your ongoing reading and writing assignments as well as complete activities tailored to meet your individual needs. It is a co-requisite requirement for the following Developmental English classes: ENGL 020, ENGL 050, and ENGL 090.

Writing in the Digital Age Lab
ENGL103
The ENGL 103 Writing Lab focuses on building written communication, content development, and critical thinking skills and competencies to support you in your Writing in the Digital Age course and beyond as an artist and designer in the world. Through small-group instruction and discussion, each week, you will learn tools that you can apply to your on-going reading and writing assignments as well as complete activities tailored to meet your individual needs. It is a co-requisite requirement for some ENGL 107, Writing in the Digital Age students, based on the Writing Placement Assessment.
